NIGHT ON THE TILES

Dear *Mayfair*,

I'm a tiler by trade and it just so happens that one of my good mates is a landlord of a block of flats, so throws quite a bit of work my way. It was earlier this summer that I was working on a bathroom in one of the third floor apartments and, being the clumsy fucker that I am, I managed to cut my hand open on a broken tile I was removing.

Luckily it wasn't too bad and one of the tenants, a girl called Alexis, sorted me out with a bandage. I'd been bantering with her and her flatmates for the few days I'd

SECOND I PLUNGED

been working there and while she was cleaning up my cut, I said something dumb like, "That's my sex life ruined for a while, then."

She obviously found it funny - or took me seriously - because she poured on the sympathy, and twenty minutes later we were in her bed, screwing like rabbits. Lexi's sexy as fuck, really petite, with dark hair and big blue eyes. Her tits sort of disappear when she lies back, but when you've got your mouth around her big pink nipples that's not a big deal.

She was great in the sack - really enthusiastic while sucking my cock - and I felt like the cat that got the cream. But then, I swear it got even better! She was stretched out post-shag, her tight little fanny full of my spunk, then out of the blue, she asked me if I fancied her flatmate Mollie. "She's cute," I said, hoping this was what Lexi wanted to hear.

"The thing is, right," Lexi continued, with a playful grin on her face, "She said she really fancies you... And it wouldn't be the first time we've shared a bloke."

Not believing my luck, I told her to sort something out and, giving her my number, told her I was up for it whenever they

HOLLY GOOD SHOW!

Dear *Mayfair*,

I've just finished perusing your latest issue, with Holly Gibbons on the cover (50.10). I have to say she is an exceptionally sexy young lady who looks absolutely fabulous nude, fully showing off all she's got without any false modesty whatsoever! I've still got the copy of *Mayfair* in which she first appeared, and I have to say that while she was sizzling hot back then, she just seems to get better and better with each appearance! What she'll be like in another year or two God only knows - but I sure hope we get to find out!

Please pass on my heartiest thanks to Holly for the joy she's brought into the heart of this *Mayfair* reader of long-standing - girls like her really do make this planet a better place to live in!
John, Hull.

were. So, the following Saturday night, I found myself knocking on their front door,

me by it to Mollie's awaiting gash. It was one of the horniest things I've ever had

surprised by Lexi answering it in a bathrobe! I was a bit disappointed thinking that she and Mollie had started without me. I needn't have been, however.

Lexi invited me into the bedroom, letting her robe drop to the floor as she walked, revealing her naked body. I got a good look at her juicy bum as she led the way, giving me a right boner.

When we got into the bedroom, Mollie was lying on the bed dressed in stockings and suspenders, with her legs spread - and a vibrator pressed against her clit! I was almost speechless!

"We've been getting ourselves ready for you," Lexi purred, "And I reckon it's only fair that Mollie has the first fuck of the night!"

The way my cock was throbbing, I reckoned it would only last a couple of seconds no matter who had it, but I wasted no time in getting my kit off and getting on that bed!

Before I could get to Mollie, though, Lexi grabbed my engorged dick and closed her mouth around it, giving it a quick suck and wank before practically leading

done to me!

There was no foreplay with Mollie – I guess that's why she'd been warming herself up with her toy – I just knelt between her open thighs and Lexi positioned me at the entrance to her snatch. I needed no more encouragement and, holding Mollie's knees up, I pushed my way between her dripping lips.

I felt my balls tighten the second I plunged my length into Mollie's sucking pussy, but gritted my teeth and kept the inevitable at bay by grinding into Mollie slowly until I'd gotten control of myself. Just when I'd built up a comfortable rhythm, Mollie leaned her body round and I watched as she spread Lexi's fanny lips and slurp away at her dripping twat.

Mollie still had the vibrator and was rubbing it against Lexi's clit, causing her to squirm. The position was all wrong, though, and Mollie twisting round made it harder to screw her properly.

"Turn over," I said, trying to sound in control – I figured it would be easier, plus nothing's sexier than seeing suspender straps stretched tight over a curvy little arse. But I actually got double the pleasure – Lexi got on her hands and knees next to Mollie, and told me not to forget about her. As if!

I fed my rigid meat back into Mollie's sloppy smoo first, sliding in up to the hilt, enjoying the mewing sounds she was making as I sped up, pummeling her now, watching the ripples across her bum cheeks as I slammed in and out.

Then, I withdrew and switched to Lexi, nudging my helmet against her slit. She reached back and opened herself up, revealing her wet velvety cunt to me. I put a hand on her arse to steady myself and, wasting no time on pleasantries, I rammed my cock hard inside her sweet pussy. She moaned and screamed as I ploughed in and out of her and her mate sucked

finish Mollie off too, waiting until Lexi had calmed slightly before turning my attention back to her sexy flatmate.

Pushing my eager member inside Mollie's warm, wet tunnel for the last time, I was glad she didn't take too long to reach orgasm. Within a minute of rhythmic thrusting, I felt her body

LIP-PETY DOO-DAH!

Dear *Mayfair*,

Wow – I've always had a hard spot for a nice set of *labia majora*, and I wasn't disappointed with your latest issue, thanks to the presence of the magnificent Tiffany James and her spectacular love lips! Just the thought of looking down to see my throbbing prick slide between that perfect sets of petals is enough to set me off – I daren't think what might happen to me if I ever got to experience the view (and the sensation!) in real life. I think I'd probably die of happiness right there and then. I don't know if Tiffany's got a regular lover or not, but I take my hat off to him for not being a gibbering wreck all the time – I know I would be!

More Tiff James soon, please!
Kevin, Lancaster.

shudder and her fanny muscles tighten around my shaft as she climaxed and I finally let go – spraying my jizz inside her.

I haven't seen either of them since, but I can't say I was expecting to – I know when I'm pushing my luck! I'm just well chuffed I had my first threesome with two cracking birds!
Cal, Bromsgrove.

WHORED OF THE DANCE

Dear *Mayfair*,

For the last couple of years I've been making my living by dancing in a club in town. The money's good, and the hours suit me, and it's also lead to plenty of adventures I hadn't anticipated when I started! For starters it was at a club where I met Owen. He had been eyeing me up dancing and came over to my table, bought me a drink and gave me his card – I suppose I did look hot that night in my denim shorts, cowboy boots and shirt tied just below my big boobs.

Owen ran a small modeling agency in town that supplied girls for photoshoots, promotions and lap dancing clubs. He had watched me dance and reckoned he could easily get me some dancing or modelling work. Being a

on her nipple. It was such a horny sight I felt like I had to pinch myself!

Lexi was the first to come, clenching around my shaft as she thrashed around and wailed like a banshee. I was so close to blowing my load, I can't tell you, but I held back long enough to

Mmm, a trendy penthouse apartment, a great big bed, and the beautifully boob-tastic Brit Cara Brett! Can you think of a better way to while away a few hours of a drizzly spring afternoon? Unfortunately for us (if not for you) we were there to shoot a set, rather than to get up to anything more personal with the luscious blonde. Ah well, that's the price you pay for having a job like this – when a girl like Cara pokes her peachy rear at you and glances casually back over her shoulder, you've got to remember that what you're supposed to do next is take a picture rather than... well, you know! If we didn't know better, we'd think she was trying to drive us wild on purpose!

"Of course I am, silly!" she laughs. "It's probably my favourite pastime, driving men to distraction! There is a reason why I ended up becoming a model you know, and it wasn't just so I could spend the afternoon hanging round with *Mayfair* staffers!"

Well that figures. Ah well, back to being driven to distraction!

fetish mag, posing in really tight rubber. Acting like a slut on camera really turned me on and when the photographer asked me to get my tits out, I was only too eager to please, squeezing them together and pouting like I'd seen your models do. I didn't even hesitate when he asked me if he could shoot some open leg shots and I was soon spread-eagled on the couch in his studio, fingering my sopping cunt and using a vibrator on my clit. I loved every second and was randy as hell.

Owen rang the next day to say I was the horniest girl the photographer had ever worked with and from then on I got loads of work and a great reputation!

When Owen invited me to a party at a manor house in the country, I guessed it was going to be a bit different and wasn't surprised when he asked me to dress as sexily as possible. I didn't let him down; I knew I looked damned hot in my leather mini-skirt, lace Basque, black stockings and knee length stilettos. In fact, the perfect attire for my first swingers' party!

First, I watched as Owen brought over a pretty dark-skinned girl in a satin Chinese dress and proceeded to kiss her in front of me, his hands lifting her hem and exposing her bare arse and pussy. She was so sexy, and as my second glass of bubbly took effect, I joined them and pushed my tongue amongst both of theirs until we were all kissing and fondling each other. Three people snogging at once

was a new one on me but it's one of the horniest experiences, especially if two pairs of hands are groping your tits and in between your legs at the same time.

I left Owen attempting to lift the dark-skinned slut onto his twitching cock while he stood with his trousers round his ankles and wandered over to the bum-fucking couple on the table. Distracted by a lovely thick prick offered me by a guy wanking on the sofa that was just crying out to be sucked, I quickly jerked it off down my throat and swallowed the entire load of its sticky seed.

I love the taste of spunk and greedily licked the splashes of sperm that clung to my glossy red lips as I lifted my skirt and positioned myself beside the girl leaning over the table. I parted my legs slightly and reached behind me, pulling

meat at the door of my anus. The fact that he'd just thrust it in another made the experience all the filthier and I let out a cry as inch after inch pushed inside me. It felt like he was splitting me in two as he slid his dick all the way in, then slid it out and stuffed it back in the butt of my rival. The guy gave us one thrust each while we jerked at our pussies like whores, moaning with lust as he pumped our arses in turn. I came in seconds and hit my third by the time I felt his hot jizz spray across my buttocks and splatter up and over my back.

Some party! Four men had my slit, two had my arse and a good few had unloaded in my mouth by daybreak.

Funnily enough, I still haven't actually fucked Owen, although apparently there is another party next month and I've got

BUDE HAVE THOUGHT?

Dear *Mayfair*,

With reference to the classic set in this month's issue (50.10). In your little commentary on it you seem to cast doubt on the idea that Pamela lived in Bude 26 years ago. Well, I grew up in Bude, and I distinctly remember that my mates and I knew of a girl who had appeared in *Mayfair* – she was a bit of a local celebrity at the time in my circle, and although we were actually a bit too young to buy the magazine ourselves, we still managed to get hold of quite a few copies! (Hope you didn't nick them! – Ed.)

Sadly Pamela was a bit older than us so none of us ever got to sample her delights in the flesh, and I'm pretty sure she moved away to London a year or two later – as did I a few years after that, although sadly I never ran into Pamela in the big smoke!

Anyway, many thanks for reminding me of a very happy time – and reminding your readers what a truly lovely girl Pamela was back then! Richard, Clapham.

the cheeks of my arse wide apart so the bum fucker knew he now had two tight holes to choose from. The anticipation was incredible but I didn't have to wait long before I felt the tip of his enormous

a rather special present planned to thank him for my new and incredibly horny career. I wonder if you can guess what it is...

Jessie, Blackpool.

Last time we saw Bex we were wondering if she'd been recognised from her mag appearances. Well, it seems like there's been a little bit of progress on that front...

"Yeah, I got chatting to a guy in a nightclub last month, and he insisted he knew me from somewhere, but couldn't remember where. I thought it was just a bit of patter, but later on that night, when he saw my boobs, he suddenly twigged and said it was from *Mayfair*. He even had the copy in his wardrobe! Needless to say, he made the most of the situation he found himself in that night!"

Two Irish nuns are driving through Transylvania when a vampire springs out in front of the the car. The Mother Superior panics and tells the Sister: "Show it your cross!"

The younger nun rolls down the driver's window and roars: "Away to feck now, ye toothy gobshite!"

A woman is making fried eggs in breakfast for her husband when suddenly he bursts into the kitchen yelling: "Careful... CAREFUL! Put in some more butter! Oh my GOD! You're cooking too many eggs at once. TOO MANY! Turn them! TURN THEM NOW! They need more butter. Oh my GOD! WHERE are we going to get MORE BUTTER? They're going to STICK! Careful... CAREFUL! I said be CAREFUL! You NEVER listen to me when you're cooking! Never! Turn them! Hurry up! Are you CRAZY? Have you LOST your mind? Don't forget to salt them! You know you always forget to salt them! Use the salt! USE THE SALT! THE SALT!"

The wife stares at him. "What the hell is wrong with you?" she demands. "Do you think I don't know how to fry a couple of eggs after all these years?!"

The husband shrugs: "I just wanted to show you what it feels like when I'm driving with you in the car."

M

A doctor wants to know an 85-year-old man's sperm count as part of his annual physical. (Suspend belief, please.) The doctor gives the man a jar and says: "Take this home and bring back a semen sample tomorrow."

The next day the 85-year-old man reappears at the doctor's surgery and, eyes downcast, gives him the jar, which is as empty as on the previous day. The doctor asks what happened and the man explains.

"Well, it's like this - first I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing. Then I asked my wife for help. She tried with her right hand, then with her left, but still nothing. She tried with her mouth, first with the teeth in, then with her teeth out... but still nothing. We even called in Gladys, the elderly lady next door, and she tried too, first with both hands, then an armpit, and she even tried squeezing it between her knees, but still nothing."

The doctor is shocked. "You asked your neighbour?!"

The old man replies: "We did, but not one of us could get the jar open."

M

A midget with a speech impediment goes to buy a horse at a ranch (happens all the time!) and the rancher asks him if he's looking for a male or female horse.

"A female horthie, pleathe," says the midget. So he shows him a prized filly. "Nithe looking horthie. Can I thee her eyeth?"

The rancher picks up the midget and he gives the horse's eyes the once over.

"Nithe eyeth. Can I thee her earzth?" He picks the little fella up again, and shows him the horse's ears. "Nithe earzth! May I thee her mouf?" The rancher is getting pretty hacked off by this point, but he picks him up again and shows him the horse's mouth.

"Nithe mouf. Now can I thee her twat?" Angered beyond words at this request, the rancher grabs him under his arms and rams the midget's head as far as he can up the horse's twat, then drags him out and tosses him on the ground.

The midget gets up, sputtering and coughing. "Perhapths I thould rephrathe that," he splutters. "Can I thee her wun aound a widdle bit?"

Two guys are drinking at a bar. One looks sad. The other asks him what the problem is.

"Since I started dating my girlfriend six months ago I've become a millionaire."

"But that's fabulous!" cries his new buddy. The other man shakes his head wretchedly. "No, you don't understand. When I met her I was a billionaire."

In the Old West a cowboy is riding his horse

along a lonely trail when suddenly he's ambushed by dozens of Indians, all painted and armed for war, screaming and waving their weapons at him. He looks around, assesses the situation and, knowing what probably awaits him, sighs and says to his trusty steed: "Well, pardner, I guess I'm completely fucked."

His horse, who has been looking on calmly as the braves circled around them and screamed, tells him: "Not yet you're not."

"What?", asks the cowboy. "Of course I'm completely fucked!"

"You're not," the horse repeats firmly.

"Listen. We're surrounded by all these Indians, they're hostile, we're trapped, there's nowhere to run, nowhere to hide, and I can't take them all!"

"OK, here's what to do," says the horse, still calm. "See that big rock on the ground over there?"

"Yeah..."

"Well, get down off of me, pick up the rock, and throw it hard at that the biggest Indian, the one with the headdress and the war paint. Yeah, that one. Just lob that rock at his head with all your might."

Figuring he's got nothing to lose, the cowboy decides to go with it. He gets down from the horse, walks over to the rock and throws it at the chief with all that he's got. The rock flies straight in the chief's direction and smacks him right in the forehead,

"I'm sorry Eric! It's just one of those books you can't put down."

splitting his skull. The other Indians go ballistic at this and charge screaming at the cowboy, who runs fast back to the horse, climbs back up and says: "All right, hoss, what next?"

"NOW," says the horse, "you're completely fucked."

Having kicked the issue off with a newbie, we thought we'd thrown in another fresh-face for you – and isn't she a stunner? Christen's a mere slip of a 20-year-old, but she certainly looks the part in that frilly get-up, doesn't she? Why she almost looks like something out of a wild west bordello!

"Ah, I'm glad you noticed that!" she grins. "I love that era – and it really seems to have a special effect on guys when I dress up like this!"

Does it really? Well who'd have thought it?!

QUEST...

Never really got the hang of mornings? Then you're clearly doing it all wrong, as this trio of early risers prove all too clearly!

I've always been at my horniest first thing in the morning, which was great when I was in a relationship, but for the last couple of years I've been single – concentrating on my career – so getting laid earlier in the day has been somewhat more problematic. Plus, being an air hostess I keep strange hours, so it's really quite hard to meet people.

Last month, I was working in first class on a flight back to Britain from Kuwait from midnight, which is the most tedious of flights – and eight hours at that. At least the flight was empty apart from a couple in their fifties, a pair of young newlyweds and a lone businessman saving his expenses by catching a cheapy red-eye instead of the over-priced fare he was billing his company for – and a handsome, stylish guy who caught my eye as soon as he took his seat at the start of the flight.

I had been warned never to fraternize or become overly friendly with passengers, which I never had, but given the aching in my pussy every time I glanced at him I decided that rules were definitely there to be broken.

He was about 30, obviously worked out and the twinkle in his eye when I offered him a drink let me know he was interested in having a little fun. We smiled flirtatiously for a few hours, but I wasn't about to make a move if flirting was all it was.

I knew that a blouse button undone and a raised hemline would confirm my suspicions, so after I had done my duties, making sure the passengers were fed and watered, I sashayed down the aisle and leant provocatively over the gorgeous specimen of man, allowing him a heady whiff of my expensive Italian scent.

"Fancy anything else, sir?" I said, putting on my coyest smile, knowing he desperately wanted to stare at my ample cleavage, now only inches from his face.

"Not right now, thanks," he grinned at me, "But I don't

suppose you're available for a drink when we land?"

"I can do better than that, sir," I said stroking my finger delicately down his cheek. "Follow me in a moment or two."

Walking to the rear of the first class cabin without looking back, knowing he would follow, I turned around outside the toilet to find my amorous passenger was already right next to me.

"Good morning, Sir," I whispered and pulled him inside the cubicle by his tie. Like a rabbit in headlights, the poor guy stood motionless as I hoisted up my tight skirt, working it above my stockinged thighs and then my hips, until my bare muff was clearly on view.

"God, you're fucking hot," he breathed in my ear as he kissed my neck and groped my boob roughly. I let out a sigh as my pussy frothed up, throbbing with the anticipation of being shagged.

"You're not so bad yourself," I replied, unzipping his trousers and raising my bare arse onto the sink unit. He fumbled for his cock and dragged it free, rubbing it a couple of times with his eyes fixed on my deep cleavage. Resisting the temptation no longer, he grabbed at the buttons on my blouse, undoing the lot in one movement. As I used my legs to pull the lucky passenger's dick

towards its final destination, he pulled up my bra and buried his head in the soft flesh of my boobs, kissing and sucking the warm, tanned flesh.

I had him where I wanted him now, his rigid meat touching the entrance to my slit. Using my hand to guide it in, I pulled him forwards and inhaled sharply as his dick drove up inside my gooey hole. He began to thrust it in and out, biting my tits and groping behind me for a feel of arse.

In the confined space of the toilet, the sex seemed dirtier somehow, and his banging of my twat became more and more intense. He managed to get a finger into the crack of my butt and dug it into my tight little bumhole. I moaned and clenched my lithe, nylon-clad limbs tighter around his waist, clamping his pumping shaft deep inside me. The delicious feeling of orgasm began to stir deep within me, but I wanted his squirting seed to be the trigger. Even in the confined space of the cubicle, I managed to gently rotate my hips as he humped me, knowing every square centimetre of his dick was getting its own, very personal, pussy massage.

I could hold back my climax no longer and grabbed his balls, causing my temporary lover to grunt loudly and jettison his spunk

straight up inside my throbbing gash. I arched my back as I felt the thick cream fire inside me and my body trembled with pleasure. My thighs began to quiver involuntarily as the first wave of my massive orgasm swept through my muscles. I gasped, panting in time to the heavenly release of tension and clamped the sexy man's body tightly to my crotch with trembling legs.

When I finally left the toilet, a few seconds after my companion, the seat belt warning signs lit up as if on cue, and I hurried to straighten my uniform out and get back to work. My secret lover and I exchanged knowing looks for the remaining few hours of our journey and he discreetly handed me his number as he left.

We've spoken on the phone since then and he has another overnight flight booked for next month, which I'll make sure I'm working on. And until then I'll make do with my faithful vibrator for my morning glory!

I am a bit of a party girl, and my girlfriends and I like to party right through the

weekends. The problem is that most guys who drink and dance all night need to sleep it off the next morning, and when I party I like to keep it going all through the night and into the next morning.

My name is Annie and I am a twenty-something bank worker who is used to burning the candle at both ends. I often work late and the next morning I am still ready to give 100%. I do this by working hard and playing even harder.

Every so often I meet a guy who is up to me and keeps me happy sexually for a while but mostly it is just a one night stand and first thing in the morning they either just roll over or crawl away somewhere to

“I PUSHED MY ARSE BACK AGAINST HIS HARD-ON, AND HE MOANED AS HE RAN HIS TRUNCHEON UP AND DOWN MY BUM CRACK...”

sleep it off.

That was until I met Jake two weeks ago at my cousin's wedding. Jake not only lived up to all my expectations, but that night, instead of me having to beg for more sex he had me lying on my back gasping for air.

It was a first for me, but the icing on the cake came the next morning when I awoke to feel Jake's hard cock poking between my arse-cheeks. With an enormous smile on my face I reached behind me, and, grasping his massive schlong in my hand I began playing with it gently, surprised to feel it growing even bigger in my hand.

Jake stroked my hair, pushing it out of the way so he could kiss the back of my neck. His fingers found my nipples and rolling them between thumb and forefinger he teased the engorged teats sending sensations of exquisite delight throbbing through my whole body.

I pushed my arse back against his hard-on, and he moaned as he ran

his truncheon up and down my bum crack, coating it with my pussy juice. His fingers pinched my nipples harder, making me squeak a little in surprise but the sharp nip from his fingernails only increased my arousal, and as I wriggled back against him he held his cock against my tight anal rose.

As I say, I just love to be woken in the morning for sex... and here was this great-looking guy in my bed, after a wonderful night of drinking, dancing, and sex - and he wanted more! So I relaxed my bum-hole, and pushing back onto his thick knob I had wonderful memories of the night before when I had sucked his engorged helmet right to the back of my throat.

I was so turned-on that my pussy juice was all the lubricant Jake required to push through my sphincter, and in my excitement I began rubbing my clit furiously with my fingers, making my pussy juice trickle out and tickle as my anal muscles gripped Jake's shaft. He waited until I had relaxed them again before pushing his cock further inside my anus, and then he began to move it slowly back and forth.

It was so exciting that I slid a finger inside my pussy and we began moving back and forth and in and out in time with one another. I could

feel his thick cock through the thin membrane that separates both my pleasure tunnels and before long I began to feel my orgasm building. With his fingers plucking my nipples, Jake began banging my arse harder and faster until I could hold off no longer, and as I felt my pussy go into spasm I pinched my clitoris and started to come.

My pussy convulsed around my fingers and I felt my anal muscles gripping Jake's cock tight. Then just when I thought I could climax no longer, Jake began to move his cock in and out more slowly. My pussy clenched hard and my clitoris started to throb so fiercely that my pussy juice began to sprinkle the sheets as Jake slowly eased his cock out of my anal passage.

I lay back gasping as Jake used the en suite bathroom to wash his cock and get ready for the next round. It was the first time ever that I had come anyway near to being sated and I was impressed that Jake

had only being limbering up for the next round.

When he returned I took his freshly washed cock into my mouth to restore its hardness, but I need not have worried, because Jake was back up and running in just a few moments, with his big cock standing upright stiffly and ready for action. I loved his masculine swagger and when he rolled me onto my back and climbed onto me in the missionary position I was not surprised.

I didn't even mind when he took both my hands and held them over my head so he could play with my body without interference. It felt very sexy to be held down while he kissed and licked his way down my body, sucking my nipples hard so they peaked,

“FINALLY HE CLIMBED ASTRIDE ME, PUSHING MY LEGS WIDE AND MOUNTING ME.”

tingling with excitement. Then he moved down to my pussy, separating my sex-swollen labia and licking them with such expertise that I was close to coming without his even touching my clit.

Finally he climbed astride me, pushing my legs wide and mounting me, driving his rigid cock deep inside and filling me with his massive erection. Then he began fucking me for dear life.

I responded in kind, and it was the most satisfactory and memorable sex I have ever had. I raked his back with my nails and he bit my shoulder. Then he shunted into me one last time and my legs wrapped around his waist so I could hang on until he had filled me

My now ex-boyfriend once described my living arrangements as a clusterfuck, and he was absolutely correct. When I answered the advert for a vacancy in a seven-roomed house share in Manchester, I noted with relief the demand for 'Professionals only'. Apart from the hospital porter, who spent his

she had been thrown out by her despairing parents after their home had been repeatedly trashed. Angela's grandmother had been forced to follow suit after her house too had been trashed. It was in paying Angela's rent and housing her with responsible adults that she was hoping to instil some responsibility in her wayward grandchild. The idea backfired.

nights masturbating furiously while using his computer to chat to ladies in other countries, the house was calm, quiet and restful. Unfortunately, the quiet people moved out and noisier people moved in. The fat girl in the room above me might have brought home

a different man to her bed every Thursday, Friday and Saturday night but the creaking bedframe and the squeal of delight was always the same. Or at least it sounded the same at 2:30 AM. Sometimes I wondered whether she might break through the ceiling and end up joining me in my room. But it wasn't the fat girl who joined me in my room, it was Angela.

Angela was the breaking point of the house. By day, she was lovely; sweet as could be. By night,

Within weeks, there was only me, the hospital worker and the fat girl left. "Why don't you move out as well?" Clara, a friend at work asked.

"Imagine how boring our chats would become," I joked. But that's where the joke was on me. I wouldn't count myself as a thrill-seeker, and probably wouldn't be studying to be a barrister if I was, but it was exciting to be caught up in the middle of people actually living their lives. To

me, it was a real eye-opener that a fat girl could have more satisfying sex in a week than I had had in a lifetime. I didn't know that a man could masturbate deep into the early hours of every morning and still be normal. It was a real mystery to me why a good girl like Angela would choose to be with men who were clearly ruining her life. But to her, it was a mystery as to why I would choose to be with a man who couldn't sexually satisfy me.

"Perhaps I could borrow a bloke from her upstairs. They seem to be able to get the job done."

Angela laughed. "Somehow, I don't think those chubby chasers would be interested in a woman like you."

I'd never heard that phrase before. "You can't say that!" I protested, my years of training having given me a highly-tuned political correctness.

whatever else she was doing, it involved running up and down stairs and screaming a lot. Sometimes it was the police running up and down the stairs. Angela confessed that

"You need to loosen up." I'd always had fantasies about me saving Angela. The reality was that she saved me. It started with a knock on the door at 2:30 on a Friday night. Thanks to my fat friend upstairs, I was already wide awake. "Would you like some company?" Angela asked. "It doesn't look like we'll be getting much sleep anyway," she said, throwing her eyes up to the vibrating ceiling. I let Angela in and was surprised to find that she was already in my single bed by the time I'd locked the door. "Problem?" Angela asked, holding my covers open

I WAILED AS ANGELA FINGER-FUCKED ME HARDER THAN ANY MAN HAD MANAGED WITH HIS COCK...

for me.

"No," I said, frowning. I didn't know what was happening here.

"I just..."

"Come on, I won't bite." As soon as I got into bed, Angela rolled on top of me and sank her teeth into the nape of my neck.

"Get... off!" I pushed with all my strength but couldn't shift Angela's teeth away from my neck. She started sucking hard enough to give me a love bite. It was so far up my neck that even my highest collar probably wouldn't hide the mark. "Gerroff!" In desperation, I grabbed a handful of Angela's hair and yanked, hard.

She was smiling devilishly after I'd checked myself for blood. "So, you like to play rough? The good girls always do."

"No, I don't want..."

"Of course you don't." Despite pushing on both shoulders, Angela managed to drop her mouth down. Instead of going for my neck, this time she went for my mouth, catching my bottom lip between her teeth before I had chance to turn away. I didn't dare try the trick with the hair this time, and instead endured something which definitely wasn't a kiss. "Is your lip tingling?" Angela asked, finally breaking off her attack.

She sneered down at me, using my hair to hold my head against the pillow. "What about your cunt?"

"What?" I really hadn't been ready for that line of enquiry. It suddenly occurred to me that to a deranged mind, what Angela was doing might just qualify as foreplay. Angela took advantage of my momentary lapse in concentration and straddled me. I found myself pinned under her body.

"Mine is, and I need you to touch it."

"You need me to..."

"Don't be shy. Just do to me what you do to yourself. I know you masturbate, Laura. So don't pretend you don't. My bedroom is next to the bathroom, remember?" I suddenly felt very hot, my body

burning with embarrassment. Had Angela been listening to me play with myself? I'd always been so careful – or so I'd thought. Angela's face was buried in my hair. "Funny how you take two candles into the bathroom but only ever burn one. You do use it, though, don't you?" I groaned inwardly but she knew by my body's reaction that she'd caught me. "Perhaps you'll let me fuck you with the candle sometime? I could lick your clit while it stretches you wide." This time I did groan. I couldn't help it.

This wild child with the potty mouth had invaded the most private parts of me. Not just my bed but the things which I had done my utmost to keep secret. And now she was exploring fantasies that I barely admitted even to myself. "You want me to lick you?" I didn't dare open my eyes but could feel Angela looking down at me. I let my legs fall open a little wider. "Don't be so boring. Tell me what you want."

"I want you to lick me," I said finally. Angela licked the exact spot on my neck which she had bitten. "Not there. Between my legs." I knew what would happen, and sure enough when she moved down my body, Angela's tongue traced along my inner thigh. "Not there."

"Then where, legal beagle? Be precise."

"My pussy. My clit. I want you to lick them." A second later, I was begging Angela to stop. I was so sensitive that every touch of her lips and tongue felt like a needle piercing my flesh. It was agony. And ecstasy. "Oh fuck! I'm going to come," I mumbled to myself and the world, utterly shocked by how quickly the orgasm was swelling up inside me. Angela pushed two or three fingers into my vagina and they became the focal point of my tightening muscles, muscles which began to pulse spasmodically. But that was just the start. I wailed as Angela finger-fucked me harder than any man had ever managed with his cock – and there was the added advantage of her hungry mouth lapping at my clitoris. I came again and again and again, only stopping when I strained something in my groin and it became too painful to carry on.

"Now," Angela said, draping her naked body over mine. "Show me what you do with your fingers."

This time I wasn't so shy. I rubbed Angela's clit and fingered her hot and slippery hole until she finally stopped

screaming and started snoring. Sleep proved impossible for me after such a wild encounter and I was a mess by the time I got to work the next morning.

"Do yourself a favour," Clara said, handing me the local paper. "Find somewhere, anywhere, and get the hell out of that house." I put the paper down, sipped my coffee and gave her a tired smile. "Oh my God. It was you. You were up shagging all night. Who was he?" Clara leant close in for all the juicy details.

I took my time. "You're assuming it was a 'he'," I said, using my best legal tone. I twisted my head and pulled my collar down to expose the bruise on my neck. "And in this case, I'm afraid you are very much mistaken."

Yowser – it's not often we get a pair of sisters appearing together, let alone twins, but that's exactly what we've pulled off here (among other things)! Indian/Irish babes Preeti and Priya (left and right respectively – like Ant and Dec!) have, rather unsurprisingly, built up a whopping fanbase on Twitter, and we're delighted to be welcoming them to *Mayfair* at last! It doesn't really get much better, does it?

Look, we tried to get Mary Berry (*No relation! – Ed.*), but she was asking for too much, so we thought we'd bite the bullet and get Natalia here to do us a baking spread instead – although thankfully the 'spread' in question applies more to her shapely thighs than to the actually rather disappointing selection of cakes she managed to rustle up!

"Well, I'm not really much use in the kitchen," she confesses. "All the guys I've ever been out with seem to think cooking's a waste of time!"

Hmm, we see their point!

MAYFAIR Movies

Now that Cringle's over there's bound to be a dearth of anything worth a look on the telly, so why not treat yourself to something that's bound to get you sitting up and paying attention?

Wicked Pictures

BIJOU

CAST: Asa Akira, Keira Nicole, Cassidy Banks, Mia Malkova.

Well, I guess it had to happen one of these days, if we reviewed enough grumble flicks, but I still can't quite believe they've actually made one called 'Bijou'. Certainly it makes a pleasant change from '6 Extreme Fuck Whores Take It In The Ass' or 'Bang My Bunker 12', but really, *Bijou*?! Anyway, the plot, for such there is, revolves around a model agency on the look-out for the next big thing, but what they want isn't one of the girls on their books, but meek Annie Gimble (the not so meek Keira Nicole, as it happens) who's strayed into the background during a test shoot. Cue a few capers and some prime 'comic' 'acting' from the cast as they set about propelling the flimsy plot along to its inevitable conclusion.

★★★★☆

Editor's PICK

Thankfully the girls are all stunners – Asa's always worth a squiz, and so is Keira – and they both get a couple of scorching scenes each. It's just a shame that this film also has the dubious distinction of introducing the 'man bun' to the bongo oeuvre.

★★★★☆

Harmony

SEX IN THE CITY: VIENNA

CAST: Bella Baby, Samantha Jolie, Jessica Swann, Tess Lyndon, Victoria Daniels.

Ah Vienna! At least that's what Midge Ure had to say on the subject, and while Joe Dolce might want to argue, who could disagree? Home to Harry Lime, the Spanish Riding School and the wiener schnitzel, it's also, as this film demonstrates all-too-ably, home (at least temporarily) to a comely selection of cock-jockeys who think nothing of letting sundry pork swordsman shove their pizzles into them left, right and centre.

The first scene opens with Samantha and Bella taking a stroll round the city, where they're spied by a couple of chancers. It ends, believe it or not, with the pair of them drizzled in nut-butter. I'm sure you can guess what happens to lead us from one scenario to the other, although here's a hint – a good bit of it involves Samantha's bum. Ahem, anyway, Bella's back for a bit of lesbo fun in the next scene, before it's a return to the bummery, with Jessica and Victoria both offering up their jackies. All admirable enough, but the camerawork's a bit iffy, so just 3 stars.

Private

POSH GIRLS

CAST: Sharon Lee, Aida Sweet, Emma Leigh, Ella Hughes, Lexi Lowe, Sensual Jane.

Ha-ha! *Posh Girls*. Good on Private for thinking that one up – it makes a nice change from portraying the girls as grotty little scrubbers, in any event. And fans of UK starlets are pretty well served with this flick, which features no fewer than four of these isles' most fuckable fillies. Two of them share centre stage in the first scene – Lexi Lowe and the stupendously-boobed Sensual Jane, who certainly know how to make good use of some lucky stunt-cock's prong. Other highlights include an alfresco fucking for Ella Hughes at the hands of a heavily tattooed ruffian who chances upon her having a solitary picnic

while he's out doing some park maintenance. Now word on the street is that this girl is going to be cropping up in the next season of *Game of Thrones*, but entertaining as that show might be, I doubt very much whether it'll showcase her talents anywhere near as well.

Busty Emma Leigh, meanwhile, is having fun down on the farm, and it doesn't take too much boob-jiggling before the tractor driver's head's been turned. Needless to say, there's only one furrow he's interested in ploughing, and Emma's not averse either! To be honest I don't really know how posh these girls are, but they don't take it up the bum, so perhaps they really are!

★★★★☆

CHLOE DEE

Age: 26 Vital Stats: 34E-26-35 5'4"
Photographer: BB Media

Allow us to introduce Chloe number one of the issue – a stunning *Mayfair* newbie who hails from North London and who has certainly hit the ground running with her very first set of pictures for us!

“Well, I’ve done a good bit of modelling over the last couple of years, so I’m pretty comfortable in front of a camera, I guess!” she tells us – and it certainly shows! Mind you, what with those stupendous boobs and gorgeous face, she’s causing a good bit of discomfort behind the camera!

□□□□□□□□

Ah, if it isn't the one and only Danielle Maye – quite possibly the most statuesque British models of recent times (although to be honest I can't think of too many statues with such stupendous boobs – perhaps the museums keep those ones locked away or something?). What with those shapely long legs of hers, she's so tall it's practically impossible not to talk to her boobs rather than her face – not that the Ed ever does much else, frankly.

Rachel Garley

The page
three girl you asked
to see

PHOTOGRAPHED BY BASIL CRAWFORD-SMITH

When it comes to enterprise, it's hard to fault 18-year-old Rachel Garley. Leaving her home in France at 16, she came to England alone to live in

the Northamptonshire village of Earthingborough. From there she soon carved herself a career as a top Page Three model in the *Sun*.

Her fine 36-24-36 figure ensured she was successful almost at once, and the inevitable move to London followed. There, she also found time to run a wine bar in Crawford Street, popular with pop music and TV stars.

Now her determination has led to working as a model full-time. She's just returned from 12 days in the Bahamas and is shortly off to Mexico on a shoot. She's also breaking into acting. She has a small part in *Hawks*, the latest film starring new Bond, Timothy Dalton, and has appeared in pop videos and foreign TV commercials.

Despite her success, Rachel's interests are still refreshingly down-to-earth. She helps out in her boyfriend's hotel in Victoria but hates the traditional Page Three night club scene. Instead, she'd rather stay at home knitting. 'Don't laugh, she says. I find it very relaxing. It's also very charitable. Her creations are given free to homeless children.

MAYFAIR Classic

Well a quick bit of research tells us that Rachel here ended up being the partner and muse of artist and famed Soho dandy Sebastian Horsley, who tragically died back in 2010 – leaving Rachel as the sole beneficiary of his not inconsiderable will. What with that and her small part in *Hawk* (anyone see that?), it seems Rachel's had an interesting time of it since she graced the pages of *Mayfair* 28 years ago!

MAYFAIR

Vol.52 No.13

On Sale Dec 13th

Is it my imagination, or are Christmases getting closer and closer together these days? Once upon a time there seemed to be an age in between them, giving you a chance to pay off the debts and start saving again, but now it seems like you've only just scraped the leftovers into the recycling and the shops are starting to stock 'seasonal goods' again! Well, in any event it means that the issue 13s of *Mayfair* roll round quicker as well, which perhaps isn't such a bad thing, 'cos they're bound to feature a load of stunners – like Staci Starr and Michelle Moist here! Bring it on!
